Dear Friend of the BWLC Foundation

The BWLC Foundation has been hard at work since 2000, raising funds to support young African American females from all over the country who will be attending a college or a university. Since the year the inception of this Foundation, **113** recipients have received a share of the **\$110,000** raised on behalf of the Scholarship Fund.

We, the members of the BWLC Foundation are seeking financial support from our friends and families to ensure this worthwhile endeavor continues. Any amount would be welcomed and most appreciated. With your help, the BWLC Foundation will be able to assist more deserving young African American woman as they pursue their dream of obtaining a college education. The Donation form is on the back of this letter.

Thank you in advance for your support,

BWLC Foundation

Helping to make "Dreams Come True", one student at a time!
